Waste Zone:

During the EPZ circulation of Borsele, much attention will be given to the environment. In the vicinity of start/finish, waste bins will be placed for separate waste collection. Yellow container for plastic waste, green for green/organic waste and grey for residual waste.

These will also be placed on the so-called. Feeding post, this is found just after leaving s-Heerenhoek. This is also for the last 20 - 10 km.

For the riders, two mobile toilets will be placed on the Kuijpersdijk.

Last waste zone 3km before the passage (Heinkenszandseweg).

We make an urgent appeal to the riders, team leaders, staff and all other attendees in the race, no garbage or materials on the public roads and or locks to throw.

A waste zone will be established before and after supply.

Please keep our Landschapspark Borsele clean!
